### **EXECUTIVE SUMMARY**

Districts are required, twice each fiscal year, to present Interim Financial Reports to the Board of Trustees so the Board may certify the District will be able to meet its financial obligations for the remainder of the fiscal year and two subsequent years.

The following reports are provided to assist in making this positive certification: 2020-21 First Interim Report of General Fund Summary with Actuals as of October 31, 2020; summary of changes made since the board approved operating budget at its September 9th, 2020 public meeting, General Fund Multiyear Projections for fiscal years 2021-22 and 2022-23, as well as Cash Flow projections.

The Interim budget revision reflects an additional \$200,000 contribution potentially from Hillsborough Schools Foundation (HSF) to support the district with additional costs due to COVID-19. In addition, the budget also includes an addition of \$15,825 for 20-21 Fund a Need from HSF, initially earmarked for innovative learning mini-grants, which did not happen due to COVID and has been repurposed for 1:1 devices. Parent group and student council total revenues budgeted reflect an increase of \$11,515. However, the above revenue increases are very much offset by the Field Trip refund of \$217,074 for the cancelled Yosemite field trip due to COVID. Coupled with a decrease of \$29,101 on 2020-21 P-1 Property Taxes from the beginning of the year estimate from the County Assessor's Office, Special Ed decrease of incoming MOU revenue \$18,679, total revenues at First Interim actually decreased by \$38,723. The fact that total revenues indicate an increase of \$92,781.08 is because the recalculated STRS on Behalf revenues increased by \$131,504.

As presented at the September 9<sup>th</sup> board meeting, the \$353,948 Coronavirus Relief Fund has helped absorb some of the cost caused by additional staffing to reduce class sizes and maintain small cohorts. This interim budget made no revision to position pay salaries and benefits. The decrease in certificate and classified salaries are mainly due to the cancellation of the Yosemite field trip, which, with changes also in supplies and transportation for the field trip, totals a reduction of \$211,141 in expenditures. Other reductions include 19-20 Fund a Need Makerspace budget of \$23,480, which will be carried over to the following year, removal of \$40,000 to Hillsborough Recreation in support of the grade 4-5 instrumental music program, and decrease of internet services cost by \$49,783.

Due to COVID-19, the United States Department of Agriculture (USDA) issued nationwide waivers through June 30, 2021, allowing all children to receive meals without free and reduced lunch applications required under the National School Lunch Program. All Hillsborough families can pick up meals for their children at the District's neighboring high schools. As such, this first interim budget removed the \$3,500 interfund transfer from general fund to fund 13, cafeteria fund for 2020-21 fiscal year only. On the other hand, the first interim also sees significant increase in other expenditures. By design and also due to COVID, the district increased \$222,384 on curriculum and instructional materials this year, in either print and digital format to support both in person and distance learning, such as Windsor Learning Sonday Essential Kits, Heinemann Library Units of Study Kits and Virtual Resources, Accelerate Learning Inc. STEMscopes Science Journals, Renaissance Enterprise and so on.

Moreover, the district increased \$20,354 on Multi-Tiered Systems of Support (MTSS) and on services to our 504 students. Another big increase is purchase of personal protective and cleaning supplies, leases, and services due to COVID, total \$207,108, which is in addition to the similar costs already covered by the \$80,042 Governor's Emergency Education Relief (GEER) Allocation and the \$91,576 state general fund allocation to the district.

Finally, property and liability insurance premium increases by \$16,420 and the repurposed 20-21 fund a need \$15,825 has been budgeted for purchase of more 1:1 devices. The increased benefits cost almost entirely reflects the \$131,504 STRS on Behalf cost increase due to recalculation based on 2018-19 STRS Creditable Earnings.

For two subsequent years, this Interim Budget projects 4.03% assessed value increase into 2021-22 in lieu of 2.5% at adoption budget time and 2% instead of 0.0% increase into 2022-23, which significantly reduced the deficit spending in those outer years. However, the Interim budget also assumes that the district staffing will return to pre-COVID 19 time in those future years and the general fund multi-year projection does not factor in any compensation increases.

For other funds, Fund 25, Capital Facilities Fund, developer fee and interest revenue is increased by \$25,200, based on year to date actuals. For Fund 40, Special Reserve Fund for Capital Projects, this interim budget also reduced the bridge school lease income by \$166,666.63, reflecting the fact that the \$240,000 collected in August 2020 includes prepay for two future years.

As with many school districts across the nation, the COVID 19 pandemic has not only posed unprecedented challenges to the delivery of instruction to our students but also significantly increased the district's operational cost for the 2020-21 fiscal year. While always prioritizing education of our students and health and safety of our school communities, the district should strive for sound school finance through conservative spending and minimizing or eliminating deficit spending.

The 2020-21 Interim Budget as presented indicates that the district is able to meet its financial obligations for the current fiscal year as well as two subsequent years. It is recommended the board approve this interim budget with a positive certification.

## Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

F. ASSUMPTIONS

Please provide below or on a separate attachment, the assumptions used to determine the projections for the first and

second subsequent fiscal years. Further, please include an explanation for any significant expenditure adjustments

projected in lines B1d, B2d, and B10. For additional information, please refer to the Budget Assumptions section of the

SACS Financial Reporting Software User Guide.

In 2020-21, the District received \$353,948 Corona Virus Relief Fund, one-time funding that the District spent entirely on hiring additional staff to reduce class sizes and to establish small cohorts to ensure the safety and health of staff and students when the schools reopen. This funding and additional staffing will not be applicable for 2021-22.

Provide methodology and assumptions used to estimate ADA, enrollment, revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments).

Deviations from the standards must be explained and may affect the interim certification.

#### **CRITERIA AND STANDARDS**

#### 4B. Comparison of District LCFF Revenue to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD NOT MET - Projected LCFF revenue has changed since budget adoption by more than two percent in any of the current year or two subsequent fiscal years. Provide reasons why the change(s) exceed the standard and a description of the methods and assumptions used in projecting LCFF revenue.

Explanation: (required if NOT met) 2020-21 budget was adopted based on the assumption that property taxes will increase by 2.5% from 20-21 to 21-22 and 0% increase from 21-22 to 22-23, but as of 12/8/20, assessed value has increased by 4.03%, so the 1st interim projection reflects the new rate and furthermore projects a 2.0% increase from 21-22 to 22-23.

#### 5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the current fiscal year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

#### S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

#### If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
