Y = Number of completed years teaching experience

U = Number of District approved graduate semester units

B = Base Salary: 69,263

5. A longevity increment of \$1,000 will be added to an employee's salary at the beginning of the 22nd, 25th, 28th, and 31st years (defined as the years credited upon initial placement on the salary schedule plus years of service in the District) with the completion of one Incentive Plan and 75 postgraduate semester units.
